

Connecting you to the resources you need.

## Five easy steps to download the app:

1) Open your phone's camera

2) Scan the

QR code

3) Click the pop-up link

4) Download the app via the link

Here's what the app icon looks like:

5) Follow your chaplains and industry organizations!

Cómo **does not** recognize or track your location.

The app serves only to directly connect you to your trusted organizations and chaplains, and their recommended resources.
